Big bricks for small hands

With its large bricks especially designed for small hands, LEGO® DUPLO® offers an exciting play experience for budding young builders. As your children grow, LEGO DUPLO provides them with new ways to play at each stage of their development. Children can let their creativity run wild: making the figures move, handling the bricks, sorting them by size and shape, inventing stories, learning about numbers and letters ... There are endless ways to play with LEGO DUPLO.

CREATE
Being creative is an integral part of your child's play that needs stimulating toys and tools.

PRETEND
Imitating life is part of your child's play experience and helps them to learn about everyday life.

SHARE
Social interaction teaches your child basic human skills and contributes to the creation of their identity.

LEARN
Learning is fun for your child when there is a balance between their ability and complexity.

MAGICAL NEW WORLD LEGO® DUPLO® toys - for kids aged 1½ - 5

One of the ways that you and your child can explore the world is through play. It's not only fun, it's also the best way for your child to grow and learn.

With LEGO® DUPLO® bricks and play sets, your child can play with shapes and colors, practice how to put things together, and create imaginary play worlds. LEGO DUPLO toys can be mixed and matched in any way your child wants. For every centimeter your child grows, LEGO DUPLO toys offer new and fun ways to play.

We hope that LEGO DUPLO can help you and your child explore it together.

LEGO NINJAGO

Masters of Spinjitzu

IT TAKES A NINJA TO STOP
A GHOST

KAI

Kai - Master of Fire
Weapon: Red aeroblade
Character: Kai is also the hot-head master of acting before he thinks. This often gets him in trouble, but sometimes also saves the day.

JAY

Jay - Master of Lightning
Weapon: Yellow aeroblade
Character: Jay is the joker. Even in the middle of battle he has a funny comment ready. Fortunately he is also a great fighter.

COLE

Cole - Master of Earth
Weapon: Black aeroblade
Character: Cole is tough and strong, but unfortunately also afraid of ghosts. Guess that is one fear he'd better overcome.

LLOYD

Lloyd - The Green Ninja
Weapon: Green ninja powers
Character: Lloyd is dedicated to the way of the Ninja. He is the most powerful of the Ninja, but also in grief over the loss of his father.

ZANE

Zane - Master of Ice
Weapon: White aeroblade
Character: This titanium nindroid is the smartest of the Ninja. His brain is full of everything from tactical insights to amazing spinjitzu moves.

VS

WRAYTH

Wraith - Chain Master
Weapon: Cursed Chain
Character: When you hear the metallic clank of his chain, you better run away. If you can outrun a flying Ghost Bike, that is.

MORRO

Morro - Master of Wind
Weapon: Katana
Character: Morro is an evil spirit escaped from the Cursed Realm. This cursed soul is seeking a terrible revenge over the man who was once his master.

RONIN

Ronin - Master thief
Weapon: Stealthy hands
Character: Ronin is also a capable fighter and a good man to have on your side. If you can afford his services, that is.

SOUL ARCHER

Soul Archer - Bow Master
Weapon: Bow and arrow
Character: This ancient archer never misses his target. He is Morro's right hand and a constant menace to the Ninja.

GHOUTLAR

Ghoular - Scythe Master
Weapon: Brute force
Character: This ethereal enforcer is incredibly strong, but very simple. He never questions an order or thinks for himself.

BANSHA

Bansha - Blade Master
Weapon: Mind control
Character: This possessive lady has the power to take over your mind and control your body even at a distance.
