MECCANO®

JUNIOR

GB RECOMMENDATION

Meccano Junior grows with your child. It complements and stimulates imagination and manipulative skills from 4 to 7 years. With Meccano Junior, we recommend you start by using the step by step instructions to progress from a simple introduction to more elaborate models in the Meccano Junior Toolbox.

F RECOMMANDATIONS

Bravo d'avoir fait le choix de MECCANO JUNIOR pour votre enfant. Le créative system MECCANO est progressif ; il accompagne et stimule le développement psychologique (imagination, créativité, persévérance...) et moteur (habileté, précision...) de l'enfant de 4 à 7 ans.

Nous recommandons de débiter l'apprentissage du MECCANO JUNIOR par l'assemblage, étape par étape, des modèles d'initiation jusqu'aux modèles les plus élaborés de sa boîte à outils MECCANO JUNIOR.

D EMPFEHLUNG

Wir beglückwünschen Sie zum Kauf des MECCANO JUNIOR. MECCANO ist ein System mit wachsender Kreativität. Es begleitet und stimuliert die psychologische (Phantasie, Kreativität, Ausdauer...) und motorische (Geschicklichkeit, Genauigkeit) Entwicklung des Kindes im Alter von 4 bis 7 Jahren. Für den Einstieg in das MECCANO JUNIOR System sollte mit dem schrittweisen Bau der Modelle begonnen werden, von den Grundmodellen bis zu den komplexen Modellen des Werkzeugkastens MECCANO JUNIOR.

I NOTA PER I GENITORI

Vi ringraziamo per aver scelto MECCANO Junior. Meccano Junior cresce e si sviluppa insieme a Vostro figlio, integrando e sviluppando la sua immaginazione e le sue capacità di manipolazione. Meccano Junior è il gioco ideale per bambini dai 4 ai 7 anni. Vi suggeriamo di iniziare a giocare con Meccano Junior partendo dalle istruzioni allegate, che vi guideranno passo dopo passo: dai modelli più semplici alle creazioni più elaborate, tutte realizzabili con la cassetta degli attrezzi di Meccano Junior.

S REKOMMENDATION

Vi gratulerar till Ert val av Meccano Junior. Meccano Junior, växer ihop med Ditt barn. Det kompletterar och stimulerar fantasin och påverkar färdigheterna mellan 4 och 7 år. Med Meccano Junior, rekommenderar vi att Ni startar med att använda instruktionerna steg för steg för att sedan utvecklas från en enkel början till en mer detaljerad modell i Meccano Junior.

SF SUOSITUS

Onneksi olkoon MECCANO Junior-valintasi johdosta ! Meccano Junior kasvaa lapsesi mukana. Se kehittää mielikuvitusta ja käden hallintaa 4-7 vuotiaalla. Suosittelemme, että aloitat Meccano Juniorin rakentelun yksityiskohtaisia ohjeita noudattaen, edeten yksinkertaisimmista malleista monimutkaisempiin.

DK VEJLEDNING

Til lykke med valget af MECCANO JUNIOR til Deres barn. MECCANO Creative System er af stigende sværhedsgrad, det følger og stimulerer det 4-7 årige barns udvikling, både psykologisk (fantasi, kreativitet, tålmodighed...) og motorisk (fingerfærdighed, præcision...). Det anbefales at starte med MECCANO JUNIORS lette modeller, som samles trin for trin, og derefter gradvis gå videre til de mere vanskelige modeller i MECCANO JUNIORS værktøjskasse.

E SUGERENCIA

Felicidades por haber elegido un MECCANO Junior ! Meccano Junior crece con tu hijo. Con él, se complementa y estimula su imaginación, así como sus habilidades manuales, desde los 4 a los 7 años. En Meccano Junior, te recomendamos que empieces consultando sus detalladas instrucciones, para progresar desde un simple modelo de iniciación hasta llegar a los modelos más elaborados de la caja de Meccano Junior.

NL AANBEVELING

Gefeliciteerd met de keuze Meccano Junior ! Meccano Junior groeit samen met uw kind op. Het stimuleert en vult de fantasie en handigheid aan bij kinderen van 4 tot 7 jaar. Met Meccano Junior adviseren wij u stapsgewijs de instructies te volgen, zodat na de eerste simpele modellen de wat meer ingewikkelde modellen uit de Meccano Junior doos gemaakt kunnen worden.

GR ΣΥΓΓΡΑΣΕΙΣ

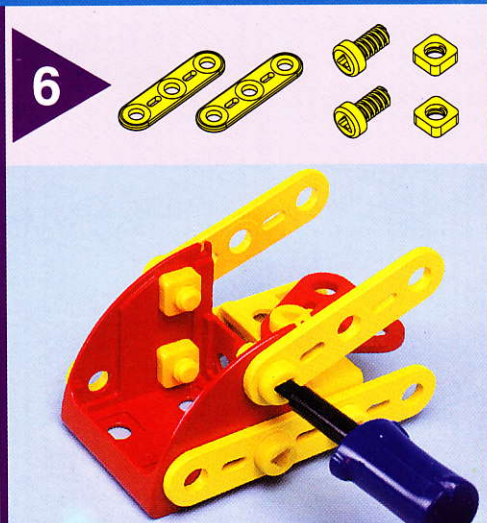

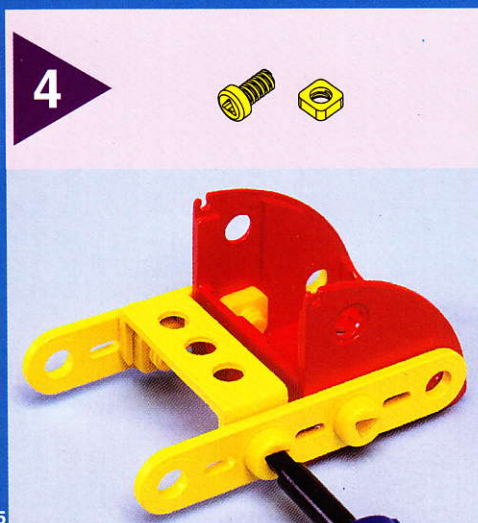

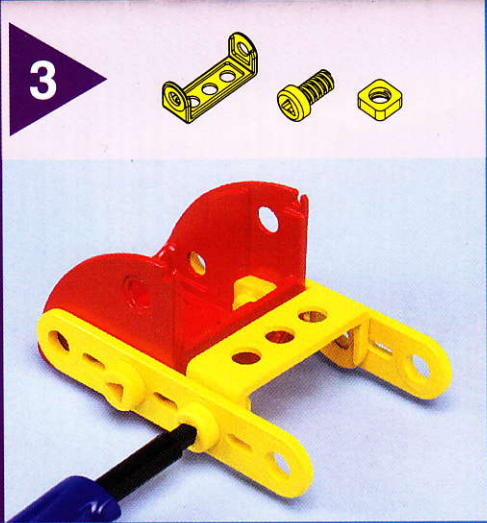

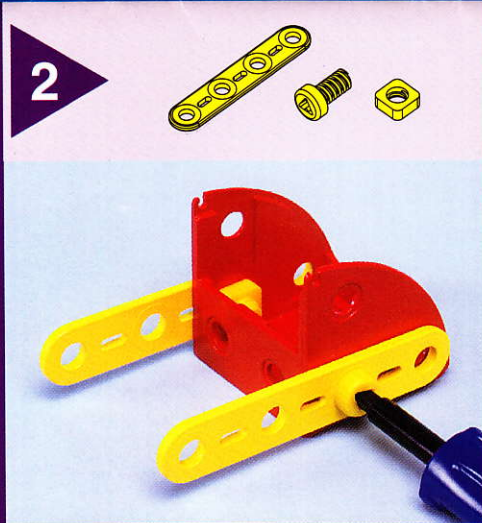

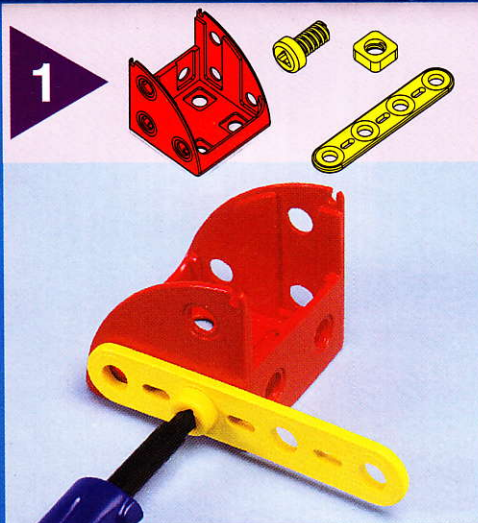

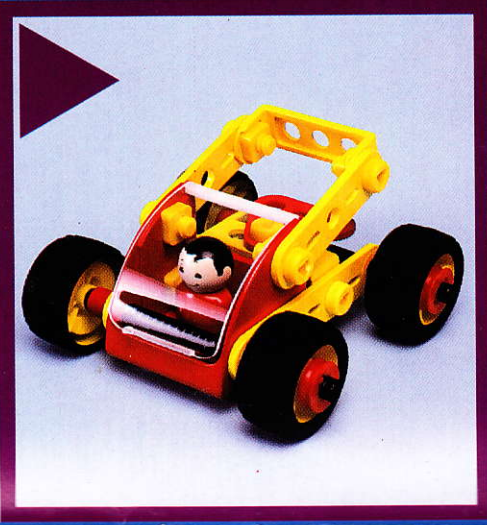

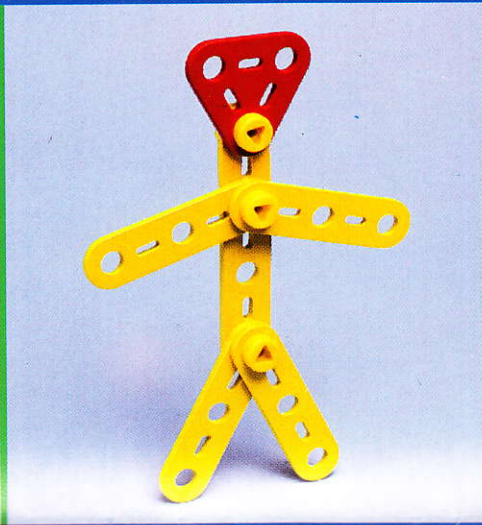

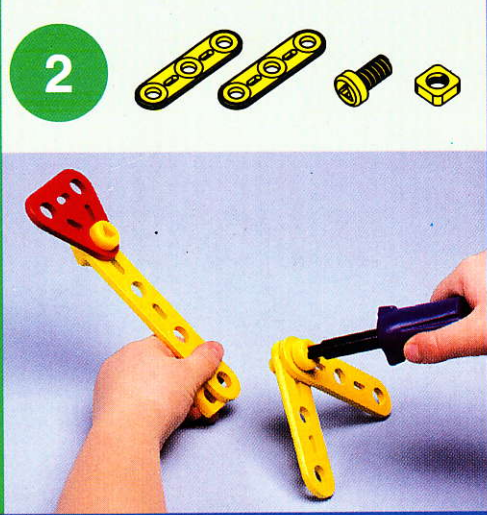

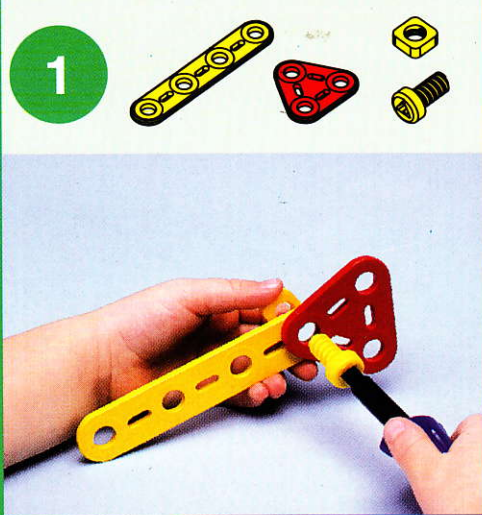

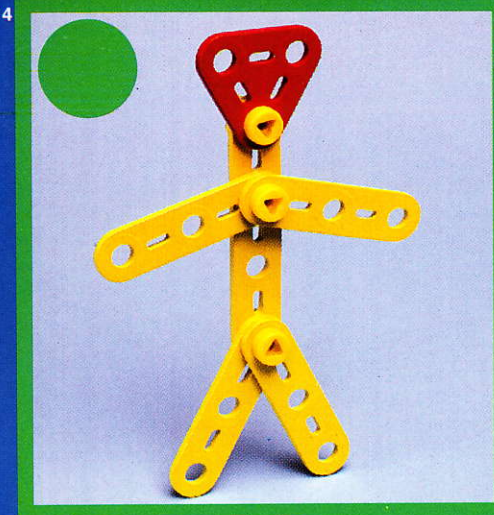

Αγοράστε ένα MECCANO JUNIOR για το παιδί σας. Σας συγχαιρούμε για την επιλογή σας. Το Creative System MECCANO είναι ένα προοδευτικό παιχνίδι που συνοδεύει και διεγείρει την ψυχολογική ανάπτυξη (φαντασία, δημιουργικότητα, επιμονή...) και την κινητική ανάπτυξη (επιδεξιότητα, ακρίβεια...) των παιδιών ηλικίας 4 έως 7 ετών. Σας συμβουλεύουμε να ξεκινήσετε από τη συνημμένη οδηγία των απλών μοντέλων της εργαλειοθήκης MECCANO JUNIOR πριν καταλήξετε στα πιο πολύπλοκα.

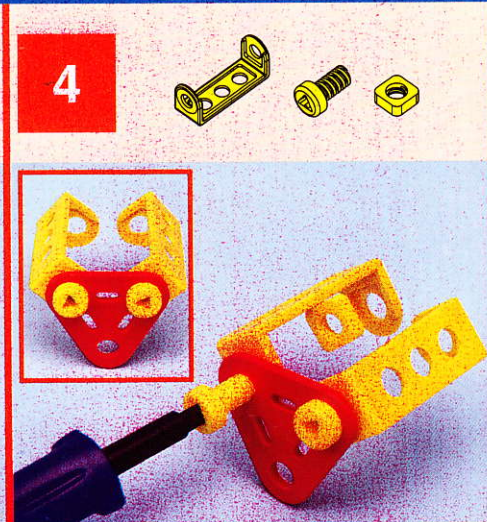

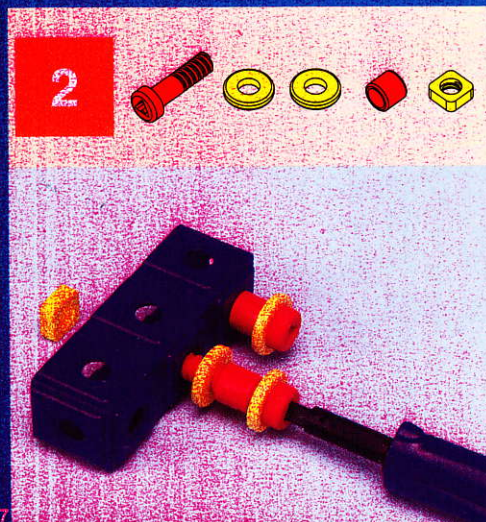

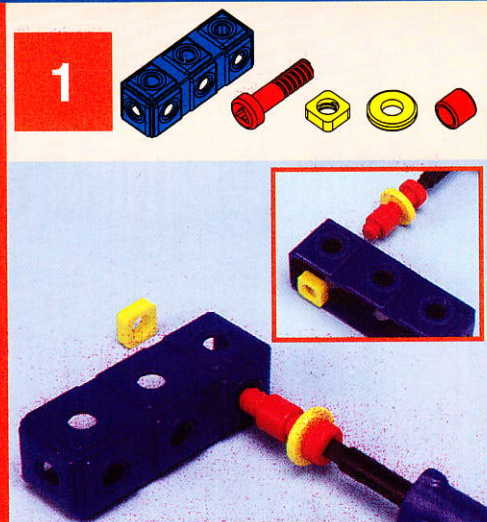

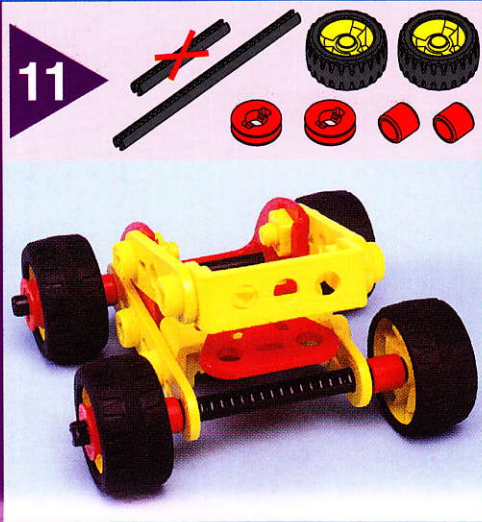

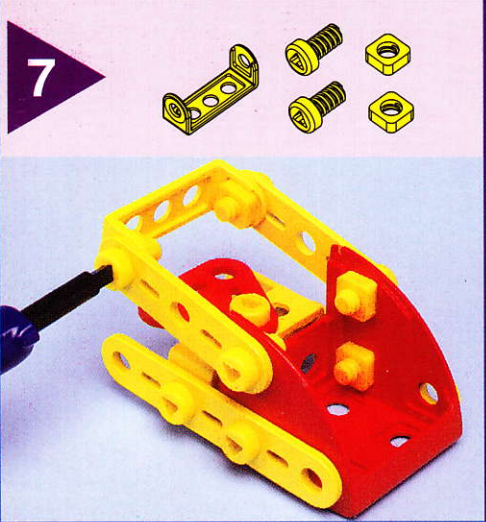

JPN ご使用にあたって

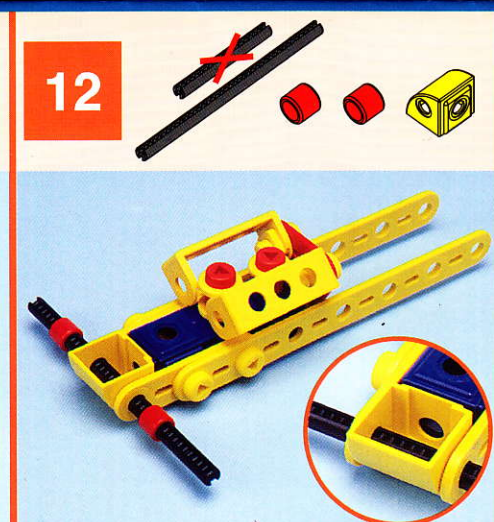

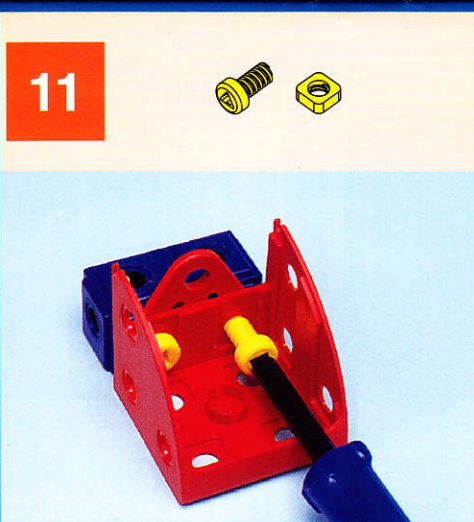

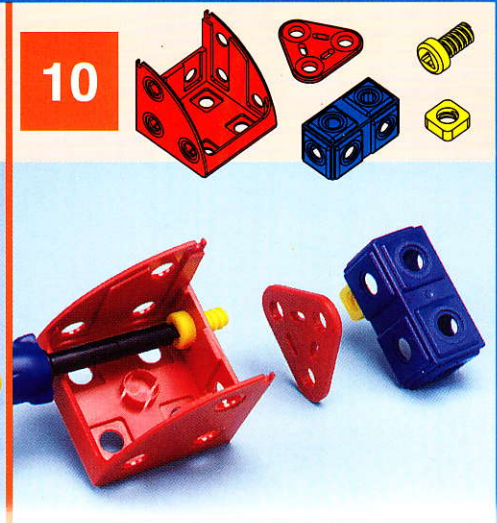

お子様のためにメカノ・ジュニアをお求めいただき誠にありがとうございました。レベルに合わせて使えるクリエイティブシステムのメカノは、4才〜7才児の心理面(想像力、創意、根気など)と運動神経(器用さ、正確さなど)に働きかけ、その発達を促します。メカノ・ジュニアのご使用にあたっては、まず簡単なモデルの組立からスタートし、順次ステップを踏んで、メカノ・ジュニアのツールボックスの複雑なモデルへと進むようにしてください。
